

Directions to Cedar Crest Hospital and RTC

TxDOT is conducting road work in the area. Please reference the direction below if you are traveling to the hospital.

From the North:

Take exit 290 and then turn left across the bridge and then left again. Go around the closed to traffic sign and Cedar Crest will be a very short distance on the right.

From the south:

On I-35, exit at Shanklin Road, Exit 290. Proceed up the service drive about one-half mile and Cedar Crest is on the right. There may be a “closed except to local traffic” sign on the service drive – go around it.
